ACTION TAKEN REPORT

Issue 1: hygiene related issues

Sweeper rosters were created to establish a systematic cleaning schedule for the college premises. Student council was appointed as supervisors for regular upkeep of washrooms.

Issue 2: Increase in Canteen Area and hygienic food

A Detailed Project Report (DPR) was prepared and submitted. The construction work is currently in progress, aiming to alleviate the issue of limited sitting area in canteen.

Canteen committee regularly make visit to canteen to check hygiene and quality of food.

Issue 3: Water Cooler for Drinking Water

The repair committee assessed and repaired all faulty water coolers within the college primes. Water dispensers has been installed in different labs, library, and common room. Earthen pots are also purchased and placed at different shaded places for clean cool drinking water. Regular refilling and maintenance checks have been scheduled to ensure functionality.

Issue 4: Lack of Study Areas During Summer

The library has been upgraded with additional cooling systems. Two new air conditioners have been installed in the Girls' Common Room to improve comfort during hot weather.

Issue 5: Revision of Courses with a Focus on Practical Application

Proposal of various Skill and Vocational courses has been sent to Higher education and Jammu University.

The curriculum aspects of the college are primarily guided by the affiliating University of Jammu, where all decisive actions regarding the syllabus are taken. Heads of various subjects attend the Board of Studies (BOS) meetings at the university to represent the college and address the genuine concerns of students.

6. Teacher Focus on Attendance

The notice regarding the compulsory 75% attendance requirement from the University of Jammu is issued by the college at the start of each academic session. Cases of attendance shortages are regularly notified so that students with insufficient attendance are informed in a timely manner.7. Campus Discipline Improvement

7. Enhancing Campus Discipline and Restrictions on Non-Enrolled Students

Regular duties have been assigned to staff members to maintain discipline across the college. Additionally, security personnel have been increased to monitor activity at the main gate. An access control system has also been installed at the entrance to regulate and restrict the entry of non-enrolled students.

8. Enhancing Greenery on Campus

Plantation drives has been scheduled by NSS unit of the college.

9. Career Counselling for Students

The college has initiated collaboration with career counsellors and industry professionals to enhance its career counselling services. The Career Counselling Cell has become more active, organizing various career and skill-oriented sessions to equip students with the necessary tools and knowledge for their professional development.
